Minimalist Concept

This season, we're back with exclusive homes, each infused with self-made interior design, combining natural textures, handcrafted elements, and coastal colors.

NEW

AM SeaSpritz is expanding!
This season, we're bringing our signature style to TUNISIA, a destination full of hidden beauty, history, and coastal charm.

Introducing “**La Vue Est Belle**” – Nestled in a quiet Mediterranean city, this seaside retreat blends Tunisian craftsmanship with modern Mediterranean elegance.

- ◆ Whitewashed walls and handmade tiles create a bright, airy feel.
- ◆ Earthy ceramics and soft blue accents echo the surrounding sea.
- ◆ A private courtyard with a plunge pool sets the scene for slow mornings and golden evenings.

Naturalistic Concept

Deep blues of the sea, warm terracottas of the earth, soft beiges of the sand, and crisp whites of sun-drenched walls.
